URMETALSVAULT will initiate payment to your bank account or Prepaid Card as instructed by you and agreed to by URMETALSVAULT.

c. Price Calculation:

You agree that the price for any purchase or redemption of precious metals for any transaction within your URMETALSVAULT Account will be based on the Best Bid or Offer (“BBO”) in each respective vault location as reflected by the pricing engine. You accept that the pricing engine collects and distributes real-time prices from bullion counterparties quoting bids and offers for the purchase or sale of physical bullion at each respective vaulting location where URMETALSVAULT maintains a Vault. These prices are reproduced on the URMETALSVAULT Website continuously, with the live price displayed, being the average of the BBO at any given time. The price at which URMETALSVAULT will sell to you is the BBO plus the applicable rate. However, should you make a purchase of 20 grams or less, the transaction fee applied shall be 1% or the applicable rate, whichever is greater. The exception is for transactions occurring on weekends and holidays in New York when there is no BBO quotation from counterparties, at which time the rate will be the rate posted on the URMETALSVAULT Website. Price engine prices will reflect the internal liquidity provided by the URMETALSVAULT market making operations and a purchase quote will be provided to you within your order at the time of you making your transaction for transactions occurring from Friday at 5:01pm EST to Sunday 6:29pm EST.

d. Restrictions:

- i. URMETALSVAULT reserves the right to restrict customers, at its discretion, from sending proceeds from the sale of precious metals to a bank account held outside their country of residence.
- ii. URMETALSVAULT further reserves the right to reject or suspend a sale, at its discretion, in circumstances where it has queries or concerns, including but not limited to source of funds, verification of user, or payment source.
- iii. If a customer’s Account is closed or suspended in accordance with these Terms, URMETALSVAULT is entitled, at its discretion, to credit the User’s credit card with the original national currency amount, foregoing any profit or loss made in the spot price in the interim period.

b. Scope: An unauthorized transaction is a type of error that occurs when a product is sent from your URMETALSVAULT Account that you did not authorize and that did not benefit you. For example, if someone steals your password, through no fault of your own, uses the password to access your URMETALSVAULT Account, and sends a transfer from your URMETALSVAULT Account, an unauthorized transaction has occurred. If you give someone access to your URMETALSVAULT Account (by giving them your login information) and they conduct transactions without your knowledge or permission, you are responsible for any resulting use. These transactions are not covered under any URMETALSVAULT protection programs. Examples of processing errors include products incorrectly taken from your URMETALSVAULT Account or incorrectly placed into your URMETALSVAULT Account, transactions being incorrectly recorded in your URMETALSVAULT Account, a missing transaction, or a transaction not properly identified in your URMETALSVAULT Account history. You may request documentation or information regarding your Account or transaction to determine whether an unauthorized transaction or processing error exists by contacting us at our mailing address or by emailing to info@barbarroja.co.

You should regularly log into your Dashboard and review your URMETALSVAULT Account activity to ensure that there has not been an unauthorized

transaction or processing error. You should also review these transaction confirmations to ensure that each transaction was authorized and is accurate. For unauthorized transactions or processing errors in your URMETALSVAULT Account, notify us at info@barbarroja.co.

e. Information required: When you notify us, provide us with all of the following information:

- Your name and email address registered to your URMETALSVAULT Account;

- The amount of any suspected unauthorized transaction or processing error.

f. Form of notification: If you notify us orally, we may require that you send us your complaint or question in writing within 10 Days. During the course of our investigation, we may request additional information from you.

g. URMETALSVAULT actions after receipt of your notification: Once you notify us of any suspected unauthorized transaction or processing error, or we otherwise learn of one, we will do the following: We will conduct an investigation to determine whether there has been an unauthorized transaction or processing error that is eligible for protections. We will complete our investigation within 30 Days of the date we received your notification of the suspected unauthorized transactions or processing error. If we decide that we need more time to complete our investigation, we will provisionally credit your URMETALSVAULT Account for the amount of the suspected error. You will receive the provisional credit within 10 Days of the date we received your notice (or 20 Days for new URMETALSVAULT Accounts). This will allow you to have use of the product until we complete the investigation. We will notify you of the provisional credit within 2 Days of the crediting. If we ask you to put your complaint or question in writing and we do not receive it within 10 Days (or 20 Days for new URMETALSVAULT Accounts), we will not provisionally credit your URMETALSVAULT Account. We will inform you of our decision within 3 Days after completing our investigation. If we determine that there was an error, we will promptly credit the full amount of the error into your URMETALSVAULT Account within 1 Day of our determination. Or, if you have already received a provisional credit, you will be allowed to retain those amounts. If we decide that there was not an error, we will include an explanation of our decision in our email to you. If you received a provisional credit, we will remove it from your URMETALSVAULT Account and notify you of the date and amount of the debit. You may request copies of the documents that we used in our investigation.

You may pursue a dispute/claim with URMETALSVAVLT, or you may contact your credit card company and pursue your Chargeback rights. You may not pursue both at the same time or seek a double recovery. If you have an open dispute or claim with URMETALSVAVLT, and also file a Chargeback with your credit card company, URMETALSVAVLT will close your dispute or claim, and you will have to rely solely on your Chargeback rights. Before contacting your card issuer, or filing a dispute with URMETALSVAVLT, you should contact us to resolve your issue in accordance with our return policy.
